

# HOPPE ATLANTA

## door handle range

### Modern stylish design

The Atlanta is a modern stylish handle design solution for residential doors.

Designed with a distinctive grip, The Atlanta has radiused edges to the backplate producing a softer look.

Unsprung, the lever is fully reversible and has been designed to fit European lock centres of 92mm fitted with a Euro-cylinder.

Manufactured from high quality aluminium, the backplate is supported by a stainless steel construction.

The Atlanta is available a choice of lever/lever, extended lever/lever or lever/pad designs in white and black powder coated; anodised gold and silver, PVD Gold and Chrome finishes.
