

# ERA ESPAGNOLETTE BAR

## locking mechanism

The ERA Espagnolette Bar has excellent window security and weather sealing performance.

Available in a range of sizes, designed to provide a quick to install, low cost hardware solution for casement windows.

Bars feature an integral gearbox and are manufactured from high quality steel with a zinc coating, and yellow passivated or Rogard Trivalent finish to provide a barrier against corrosion.

### Technical Information

**Corrosion resistance:** Meets the requirements of BS EN 1670: 2007 Grade 3 (96 hours) zinc & yellow passivated; Grade 4 (240 hours) Rogard Trivalent

**Operation:** Tested in excess of 30,000 cycles

### Material Specification

**Bars:** High quality Steel, zinc coated and yellow passivated or Rogard Trivalent

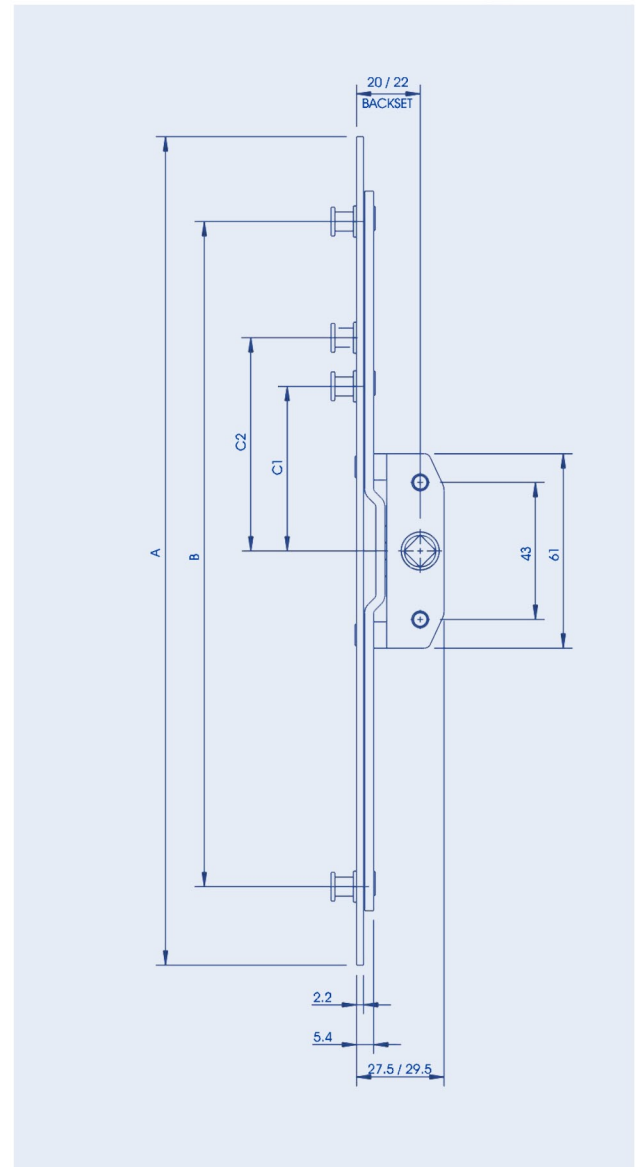

**Keeps:** Zinc Alloy, yellow passivated or Rogard Trivalent

### Product Options

Available with 20mm or 22mm backset and adjustable mushrooms/ cams. Bar available in 6 sizes, 8mm cam height.
